This program has returned after a three-year hiatus to recognize outstanding public schools. Out of the over 10,000 public schools in California, Liberty School was chosen for this honor. At Liberty, we know that awards like this are a reflection of the hard work and dedication of our staff, students and the parent community. Thanks to all!
- **Principal's Coffee Tuesday, April 24** - Please join Mr. Rafanelli for a cup of coffee or tea and the opportunity to chat about school issues. Bring your questions and ideas to share while you also learn about how Liberty addresses school safety ideas and thoughts about local middle school options.
