

Liberty School Wednesday Note

April 4, 2018

- **Adventure Day** - Today our students moved around the campus experiencing different activities related to our theme for the school year, STEM - Science, Technology, Engineering and Math. Students learned about chemical reactions through ice cream and slime, physics through physical activities, engineering by building structures with cups, sticks, and gum drops, and other explorations that allowed our kids to both have fun and learn that science is all around them. Please take a moment and chat with your kid to find out about their experiences today. We thank the Foundation for underwriting our activities.
- **Book Fair** - Our Spring Scholastic Book Fair will be held Monday, April 23rd through Friday, April 27th. The hours will be 2-4pm each day, except Wednesday, which the hours will be 11:30-3:30pm. Please come and help us raise funds for our fabulous Liberty School Library while enjoying a good book. In order to make this a success, we need volunteers to set up, take down, and sell. Please go to the following link to volunteer. Thank you! www.SignUpGenius.com/go/20F0D4AAA923A5F49-book4
- **Mother/Son Amazing Race** - There is still room for a few more mother son teams for the Amazing Race. Please get your RSVP cards into the office as soon as possible.
- **AMAZING RACE VOLUNTEERS NEEDED** - The Third Annual Mother Son Event is right around the corner and we need your assistance to help make it a great success. This year's event guides us through an Amazing Race STEM edition. We are looking for volunteers to manage the registration table, 12 different pit stop challenges, and the lunch buffet. We ask all volunteers to arrive at 9:30 AM and expect the course to conclude at approximately 12:00 PM followed by lunch to be enjoyed by all participants and volunteers. Jobs will be assigned the morning of the event. We look forward to return volunteers as well as new comers! <http://www.signupgenius.com/go/10c0b45a8a82fa4f49-amazing>
- **Parent/Volunteer Appreciation**-On Wednesday, April 18th, our staff would like to invite our parents/volunteers to coffee. Please stop by our multi-purpose room between 7:30 and 8:15 on Wednesday morning for a cup of coffee or tea and a pastry. For our parents that are in a hurry, just drop your child off and drive down to the multi-purpose room parking lot and you can pick up your coffee and pastry from our To Go Station without leaving your car. **The staff of Liberty School appreciates the many wonderful things that our volunteers do to help make this a special place for kids. Thank you!**
- **4th Grade Recycling** - Families can drop off CA CRV plastic bottles and aluminum cans year-round to benefit 4th grade events such as Balclutha and Gold Rush. It's located down by the multi parking lot in the enclosed wood trellis area. Thank you!
- **California Distinguished School** - This week, the California Department of Education announced the 287 elementary schools that are being honored under the Distinguished Schools Program. This program has returned after a three-year hiatus to recognize outstanding public schools. Out of the over 10,000 public schools in California, Liberty School was chosen for this honor. At Liberty, we

Liberty School
Wednesday Note

know that awards like this are a reflection of the hard work and dedication of our staff, students and the parent community. Thanks to all!

To Ponder...

He who has imagination without learning, has wings and no feet.
