- **Halloween** - Due to current COVID-19 protocols, Liberty will not be holding a Halloween parade at school this year. The staff, however, has planned a fun alternative celebration for the kids that will take place the Wednesday before Halloween. Students will not wear costumes for this event but will work on a mask in class to wear to a school trick or treat time. During the school day, classes will trick or treat to stations set up similar to last year's socially distanced Halloween activity. Thank you for your understanding and look forward to a return to our traditional Halloween activities in the coming year.
- **Free Friday Night Cartooning Class!** - As an introduction to our upcoming after school enrichment session, we are offering a free cartooning class this **Friday, October 22nd at 6:30** with cartoonist, Brian Narelle. Please have plain paper and a pencil ready prior to the start of class. Flyers will be sent home with further details next week! Early sign-ups are encouraged as class size is limited. A graduate of USC Film School, Brian Narelle currently teaches cartooning at the Charles M. Schultz Museum in Santa Rosa. He has also worked for Disney, Pixar, and Lucas Films.
