

Liberty School

Weekly Notes

February 22, 2023

- **3 on 3 Basketball Tournament** - Petaluma People Services is sponsoring a 3 on 3 basketball tournament on March 18th. If you are interested in participating, please follow the link for more information. www.rivertown3on3.com.
- **Morning Drop-Off** - Please remember to send your child(ren) to Daycare if you drop them off before 8:00 am. Also, if you arrive before 8:00 am, please park in a parking space instead of the drive loop to minimize the back up of staff and families going through the drive loop. Thanks!
- **Steelhead Fish Live WebCam Link** - Below is the link to a live web cam of the Steelhead Fish in our science classroom. We put the eggs in the tank on Wednesday February 22nd. They are at the "eyed" egg stage. If you watch closely, you should be able to see the eyes move around a little bit. The fish should hatch out of their eggs by Monday February 27th or Tuesday February 28th. At this point they will be at the alevin stage with their egg sack still attached. They will wiggle their way into the gravel and hide for about 2 weeks until most of the sack is absorbed by their bodies. Once absorbed, they will swim up out of the gravel and be small fry in our tank. If you or your families have any questions please email either Mrs. Pomi (cpomi@libertysd.org) or Mrs. D (adambrogia@libertysd.org) Happy Observing! (Please note: the tank light is only on from 8am to 9pm) [Liberty Steelhead Link](#)

To Ponder...

I hope I shall possess firmness and virtue enough to maintain what I consider the most enviable of all titles, the character of an honest man.

-George Washington
