

Liberty School

Weekly Notes

March 8, 2023

- **Upcoming Weather** - The current weather report predicts up to 2.4 inches of rain from Thursday afternoon to Friday morning and another .4 inches on Friday. This rain may flood our local roads from Friday morning through to the afternoon. While we hope the rain will not create unsafe conditions, it could cause the school to be closed on Friday or possibly require a delayed opening or early release. At this time, we are expecting the school to be open on Friday, but we wanted to give our families a heads-up that it is a possibility that we could be closed for the day. We will inform families on Friday morning as soon as possible.
- **2023 North Bay Science Discovery Day** - Saturday, March 11th, 2023 from 10:00 a.m. to 4:00 p.m. at the Sonoma County Fairgrounds. For more information, please follow the link. [North Bay Science Fair Link](#)

To Ponder...

You cannot do kindness too soon, for you never know how soon it will be too late.

-Ralph Waldo Emerson
